The Memory Box Gathering The Keepsakes Of The Heart [PDF ...

A gently structured story of a young person using a memory box device to gather and recall and share various memory-triggers for a loved one who has passed. The concept translate well to the specific activity, but also to the various (and universal) feelings of loss, worries about additional loss of memories, and the soothing/healing effects of time.

The Memory Box: Gathering the Keepsakes of the Heart ...

When Catherine opens her mother's memory box, she finds it is full of strange unexplained objects, all carefully wrapped and numbered. As she begins to solve the mysteries she discovers the mother she never knew, realising that there was much more to her than the family legend Catherine never knew her mother Susannah, who had died when Cathrine was just six months old.

The Memory Box by Margaret Forster - Goodreads

Of the creative tools that can be used to support those with dementia, a memory box is one of the most effective. They give older people the chance to explore their past through meaningful objects and photographs, and express
