The Morality of Law, by Lon L. Fuller

THE MORALITY THAT MAKES LAW POSSIBLE Leading citizens declared their intention to flout its provisions. Someone discovered in an ancient author a passage that seemed apt: "To command what cannot be done is not to make law; it is to unmake law, for a command that cannot be obeyed serves no end but confusion, fear and chaos."

MORALITY OF LAW Revised edition - The Partially Examined Life

According to Western Kentucky University, morality consists in what is naturally the right thing to do, whereas law is the civil codification of public conceptions of morality. People make laws according to their beliefs of good and evil, right and wrong. Laws either have the goal of promoting good behavior or punishing undesirable behavior.

What Is the Relationship Between Law and Morality?

Morality The word morality derives originally from the Latin word mos (plural: mores). The standard meaning of this word is a custom, habit or usage that is determined by man ' s will rather than by law. The Roman statesman and orator Cicero once wrote that law and custom (mos) must both be obeyed, illustrating their parity.

Law and Morality

Morality: 1. Morality regulates and controls both the inner motives and the external actions. It is concerned with the whole life of man. The province of law is thus limited as compared with that of morality because law is simply concerned with external actions and does not take into its fold the inner motives.

Relation between Law and Morality or Ethics

The main difference between law and morality is that law refers to the set of rules and regulations enforced by the state to regulate the human behaviour in society whereas morality refers to the ethical code of conduct for a human being. Hence, morality stands as the basis for the law while morality is ensured by living according to the law.

Relationship Between Morality and the Law

Although law and morality are two separate issues it is evident that morality plays a crucial role in the law. Dr. Jürgen Habermas stated “ law is internally related... to morality ” . The idea of law is not that it must be moral but that it provides a system to allow people to live together peacefully in a society. However, as much as it is debated, it is apparent that in order for human civilisation to work laws must generally be moral. Natural law is a theory that emphasises the role ...

Moral law is a system of guidelines for behavior. These guidelines may or may not be part of a religion, codified in written form, or legally enforceable. For some people moral law is synonymous with the commands of a divine being. For others, moral law is a set of universal rules that should apply to everyone.

Moral Law legal definition of Moral Law

In his widely discussed 1964 book, The Morality of Law, Fuller argues that all systems of law contain an "internal morality" that imposes on individuals a presumptive obligation of obedience. Robert S. Summers said in 1984: "Fuller was one of the four most important American legal theorists of the last hundred years".
