when you tap into their prey drive. This article explains how the prey/predator dynamic is at work in your dog's life, and why it's important to be the moose - NOT the "alpha". Understanding how your dog feels the world.

Learn the Basics of Natural Dog Training |
Natural Dog ...

Through the techniques of Natural Dog Training (developed by Kevin Behan), you will learn how your dog actually sees the world (or rather, how your dog feels the world), and develop a thorough understanding of how a dog's prey instinct is at the core of all of their behavior. Rather than fighting your dog's natural instincts, you will discover how to work with them, so that your dog will respond to you even at increasing levels of energy and stimulation.

harness your dog's ...

Natural dog food contains ingredients that have not been subject to a chemically synthetic process, or that are in a completely unprocessed state. Natural dog food shouldn't be confused with organic dog food. All natural dog food can come in a wet canned state, or as a dry kibble. So, you can choose a brand that suits your dog and lifestyle best.

Natural Dog Food - How To Feed Your Dog As Nature Intended

Part of it contains tomatoes, potatoes, wrestling peppers, chard, onions, garlic, peas, spinach, beetroot, and beans. Do not feed your dog too much. Consider the weight and power of your dog as you set the amount to boost it every day. In the meantime, they should consistently try to give them a similar amount of food.
