A state government is the government of a country subdivision in a federal form of government, which shares political power with the federal or national government. A state government may have some level of political autonomy, or be subject to the direct control of the federal government. This relationship may be defined by a constitution.. The reference to "state" denotes country subdivisions ...

State government - Wikipedia

In 2017 the government announced that home-run New Brunswick Liquor Corporation would take charge of opening up to 20 cannabis stores in the province. [52] Proposed new laws in the province included limiting adults to carrying 30 grams (1 oz) of cannabis (with no limit inside the home), and requiring that cannabis in the home be stored in a locked container or room.

European Competition Law Newsletter - January 2020 - Lexology

A new province of law comes, comes, ever comes. Lawyers and judges in India, in particular, need to be aware of these developments. They need to understand the changes and even to contribute to them. A minority that, until recently, was hated, excoriated and penalized is now asserting itself and demanding equal rights in the law as in society.
