The Politics of Adoption - International Perspectives on ...

In *The Politics of Adoption*, Perreau offers an account of the public and private distinction in French politics and considers in particular forms of state action, distinguishing between the sphere of what is legally sanctioned and what is practically undertaken. He traces how the changing notion of the 'couple' affects both French and wider European adoption law.

The Politics of Adoption | The MIT Press

It looks at adoption in France, Sweden and other civil law countries, as well as Japan and elsewhere in Asia, including a focus on Islamic adoption. It examines the experience of indigenous people in New Zealand and Australia, contrasting the highly regulated legal process of modern western society with the traditional practice of indigenous communities such as the Maori.

The Politics of Adoption | SpringerLink

This requires political advocacy. If we want to understand our role as advocates for orphans and advocates for families, we have to understand that politics shape intercountry adoption—for better or worse. First, an adoption across international borders is not just a family change, it is a citizenship change.
