Epiphenomenon of the ...

The Psychic Immune System provides a glimmer of hope, making the audacious suggestion that there is a self-corrective aspect of the collective psyche that can be compared to the immune system. This psychic immune system has come to humanity's rescue in the past and may well do so again before time runs out. Dr. Kroth has made a masterful synthesis of quantum physics, evolutionary biology, and psychology. . . well written, well documented, and well argued.

The spiritual immune system and the  
psychic immune system (and the physical  
immune system) are deeply interrelated. It  
is hard to separate one from the other, and  
in fact I believe best results are obtained  
by working on health at all levels:  
spiritual, psychic, and physical.

How strong is your psychic immune system? – Camino de la ...

The Psychic Immune System theorizes the existence of a hidden variable that acts via both unconscious and conscious processes to protect humans individually and collectively from mortal threats. Much like the physical immune system, the psychic immune system scans for danger, protects, heals, and ensures human safety and survival.
