The Hague Conventions of 1899 and 1907 are a series of international treaties and declarations negotiated at two international peace conferences at The Hague in the Netherlands. Along with the Geneva Conventions, the Hague Conventions were among the first formal statements of the laws of war and war crimes in the body of secular international law. A third conference was planned for 1914 and later rescheduled for 1915, but it did not take place due to the start of World War I.

Dispute settlement or dispute settlement system is regarded by the World Trade Organization as the central pillar of the multilateral trading system, and as the organization's "unique contribution to the stability of the global economy". A dispute arises when one member country adopts a trade policy measure or takes some action that one or more fellow members consider to be a breach of WTO agreements or to be a failure to live up to obligations. By joining the WTO, member countries have agreed t
