The Story of Ireland (TV Series 2011-) - IMDb

Comprehensive and engaging, The Story of Ireland is an eye-opening account of a nation that has long been shaped by forces beyond its coasts. The Story of Ireland re-examines Irish history, challenging the accepted stories and long-held myths associated with Ireland. Transporting readers to the Ireland of the past, beginning with the first settlement in A.D. 433, this is a sweeping and compelling history of one of the world's most dynamic nations.

The Story of Ireland: A History of the Irish People ...

What is known of pre-Christian Ireland comes from references in Roman writings, Irish poetry and myth, and archaeology. While some possible Paleolithic tools have been found, none of the finds are convincing of Paleolithic settlement in Ireland. However a bear bone found in Alice and Gwendoline Cave, County Clare, in 1903 may push back dates for the earliest human settlement of Ireland to ...

History of Ireland - Wikipedia

The Story of Ireland is a five-part documentary series examining the history of Ireland and its impact on the wider world. Over the course of the programmes, Fergal Keane travels across three continents, tracing the events, the people and the influences that shaped modern Ireland. BBC One - Story of Ireland - Episode guide

The story of Ireland of course starts much earlier than Brian Boru, but increasingly as one goes back in time, more of it comes from myths and legends and less from recorded history. Archaeologists' reports vary, but there seems to be a general consensus that there was little or no human habitation before the Neolithic period

Ireland history A range of important historical events have taken place in prehistoric Ireland over the centuries. Ireland, as an island lying out on the north western fringe of continental Europe was settled by humans civilisations relatively late in European prehistory terms with the first human settlements taking place around 6000 BC.

A intriguing new take on Irish history, exploring the ways in which outside influences have shaped Ireland from 433 B.C. to the modern day.

An award-winning, spectacular tour of Ireland's history, from the ice age to the present day. Beautifully illustrated and a great read - essential for every classroom and library and the perfect gift!

The perfect St. Patrick's Day gift, and a book in the best tradition of popular history -- the untold story of Ireland's role in maintaining Western culture while the Dark Ages settled on Europe. Every year millions of Americans celebrate St. Patrick's Day, but they may not be aware of how great an influence St. Patrick was on the subsequent history of civilization. Not only did he bring Christianity to Ireland, he instilled a sense of literacy and learning that would create the conditions that allowed Ireland to become "the isle of saints and scholars" -- and thus preserve Western culture while Europe was being overrun by barbarians. In this entertaining and compelling narrative, Thomas Cahill tells the story of how Europe evolved from the classical age of Rome to the medieval era. Without Ireland, the transition could not have taken place. Not only did Irish monks and scribes maintain the very record of Western civilization -- copying manuscripts of Greek and Latin writers, both pagan and Christian, while libraries and learning on the continent were forever lost -- they brought their uniquely Irish world-view to the task. As Cahill delightfully illustrates, so much of the liveliness we associate with medieval culture has its roots in Ireland. When the seeds of culture were replanted on the European continent, it was from Ireland that they were germinated. In the tradition of Barbara Tuchman's A Distant Mirror, How The Irish Saved Civilization reconstructs an era that few know about but which is central to understanding our past and our cultural heritage. But it conveys its knowledge with a winking wit that aptly captures the sensibility of the unsung Irish who relaunched civilization. BONUS MATERIAL: This ebook edition includes an excerpt from Thomas Cahill's Heretics and Heroes.

How much do you know about Ireland? There's so much to learn about the Emerald Isle that even its residents don't know. In this trivia book, you'll learn more about Ireland's history, pop culture, folklore, and so much more! In The Great Book of Ireland, you'll learn: How did Ireland get its name?
