Story of O (French: Histoire d'O, IPA: [istwaʁ do]) is a 1975 Franco-German erotic drama film directed by Just Jaecin and starring Corinne Cléry and Udo Kier. The screenplay is an adaptation of the erotic novel Story of O published in 1954 by Pauline Réage.

Story of O (film) - Wikipedia

Story of O, erotic novel by Anne Desclos, first published in French (Histoire d'O, 1954) under the pen name Pauline Reage, itself a pen name for Dominique Aury, a French writer and translator who was a respected member of the literary establishment but who gained her greatest fame in 1994 when it was confirmed that she was the author, under the pseudonym of "Réage," of this erotic best-seller. It was then revealed that Aury was in fact yet another pseudonym for Desclos.

A concise introduction to the basics of open access, describing what it is (and isn't) and showing that it is easy, fast, inexpensive, legal, and beneficial. The Internet lets us share perfect copies of our work with a worldwide audience at virtually no cost. We take advantage of this revolutionary opportunity when we make our work "open access": digital, online, free of charge, and free of most copyright and licensing restrictions. Open access is made possible by the Internet and copyright-holder consent, and many authors, musicians, filmmakers, and other creators who depend on royalties are understandably unwilling to give their consent. But for 350 years, scholars have written peer-reviewed journal articles for impact, not for money, and are free to consent to open access without losing revenue. In this concise introduction, Peter Suber tells us what open access is and isn't, how it benefits authors and readers of research, how we pay for it, how it avoids copyright problems, how it has moved from the periphery to the mainstream, and what its future may hold. Distilling a decade of Suber's influential writing and thinking about open access, this is the indispensable book on the subject for researchers, librarians, administrators, funders, publishers, and policy makers.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

"This touching memoir of the late neurologist Oliver Sacks, by a photographer and writer with whom he fell in love near the end of his life, turns a story of death into a celebration." —The New Yorker

An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with the intelligence and emotional depth of the best of literature.
