## **20+ The Wawa Way How A Funny Name And Six Core Values ...**

For those who frequent Wawa stores  
this is a great history of the company.  
It is particularly interesting how the  
company has remained a private  
enterprise. The discussion of company  
values is useful for any business or  
non profit. Overall, it is well worth  
reading even if you have never had  
the opportunity to visit a Wawa store.,
