--Los Angeles Times

"The wisdom of  
insecurity is not a way  
of evasion, but of  
carrying on wherever  
we happen to be  
stationed--carrying on,  
however, without  
imagining that the

The author suggests that  
insecurity is,  
paradoxically, the result  
of trying to be secure,  
and that salvation can  
only be found by  
recognizing that there is  
no way of saving  
ourselves. Page 1 of 1
