Fountain is one of Duchamp ' s most famous works and is widely seen as an icon of twentieth-century art. The original, which is lost, consisted of a standard urinal, usually presented on its back for exhibition purposes rather than upright, and was signed and dated ' R. Mutt 1917 ' . Tate ' s work is a 1964 replica and is made from glazed earthenware painted to resemble the original porcelain.

Complete Works of M. R. James. M. R. James entirely redefined the ghost story for the modern reader. Abandoning many of the formal Gothic clichés of his predecessors, he chose instead realistic contemporary settings, whilst blending his esoteric interest in antiquarian subjects to fashion his own inimitable tales of horror.

Next, the MRI machine applies a radio frequency (RF) pulse that is specific only to hydrogen. The system directs the pulse toward the area of the body we want to examine. When the pulse is applied, the unmatched protons absorb the energy and spin again in a different direction. This is the "resonance" part of MRI.
