Jesse Ward is back in the newest novel in the #1 New York Times bestselling This Man series! "The raw emotion and vulnerability is breathtaking." - RT Book Reviews "Super steamy, emotionally intense" - Library Journal Life is good for Jesse "The Lord" Ward. Perfect, actually. He still has the charm, he's in great shape, and he still reduces his wife, Ava, to a pool of desire with a mere look. He's in full control, just how he likes it. But Jesse's perfect world falls apart when a terrible accident lands Ava in the hospital with a life-threatening head injury. Devastated and angry, he feels like his entire existence hangs in the balance. He cannot survive without this woman's love. So when she finally comes around, his shaking world begins to level out. But his nightmare doesn't end there. It's only just begun. Because his wife can't remember the last sixteen years of her life. That's all of him. All of their time together. He is a stranger to her. Now Jesse must do whatever it takes to find her memories . . . and help her fall madly, passionately in love with him all over again.

Book 1 of the #1 New York Times bestselling This Man series! Young interior designer Ava O'Shea has no idea what awaits her at the Manor. A run-of-the-mill consultation with a stodgy country gent seems likely, but what Ava finds instead is Jesse Ward--a devastatingly handsome, utterly confident, pleasure-seeking playboy who knows no boundaries. Ava doesn't want to be attracted to this man, and yet she can't control the overwhelming desire that he stirs in her. She knows that her heart will never survive him and her instinct is telling her to run, but Jesse is not willing to let her go. He wants her and is determined to have her.

Addictive, dangerous, your guiltiest pleasure yet: the thrilling climax to the hit trilogy. The very place where their passionate love affair began, The Manor, fills with guests on what should be the happiest day of Ava and Jesse's lives. She has accepted that she'll never tame the fierceness in Jesse, and she doesn't want to. Their love is profound, their connection powerful, but just when she thinks that she's finally got beneath his guarded exterior, more questions arise which lead Ava to believe that Jesse Ward may not be the man she thinks he is. He knows too well how to take her to a place beyond ecstasy...but will he also drive her to the brink of despair? It's time for this man to confess. Includes a bonus scene from Jesse's perspective.

You've fallen in love reading about Christian Grey; you've seen the Fifty Shades movie. Now it's time for your next fix. Beyond undeniable passion is fierce love... Jesse Ward drowned her with his intensity and blindsided her with his passion, but he kept her away from his dark secrets and broken soul. Leaving him was the only way Ava O'Shea could survive, but she should have known that Jesse Ward is impossible

to escape. Now he's back in her life, determined to remind her of the sensual pleasures they had shared, but Ava is equally determined to get at the truth beneath this man's steely exterior. That means letting herself get close to the Lord of the Manor once more. And it's exactly where Jesse wants her - within touching distance . . . Includes a brand-new bonus scene from Jesse's perspective.

"Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin For fifteen years FitzChivalry Farseer has lived in self-imposed exile, assumed to be dead by almost all who once cared about him. But now, into his isolated life, visitors begin to arrive: Fitz's mentor from his assassin days; a hedge-witch who foresees the return of a long-lost love; and the Fool, the former White Prophet, who beckons Fitz to fulfill his destiny. Then comes the summons he cannot ignore. Prince Dutiful, the young heir to the Farseer throne, has vanished. Fitz, possessed of magical skills both royal and profane, is the only one who can retrieve him in time for his betrothal ceremony, thus sparing the Six Duchies profound political embarrassment . . . or worse. But even Fitz does not suspect the web of treachery that awaits him—or how his loyalties will be tested to the breaking point. Praise for Robin Hobb and Fool's Errand "[Robin] Hobb has created a world brimming with detail and complexity [and] once again proves herself a full master of the epic fantasy."—Tulsa World "Splendid . . . Despite some truly wrenching twists, there is a welcome sense of new beginnings."—Locus
