Calculus, Volume 1, 2nd Edition |
Wiley. An introduction to the
Calculus, with an excellent balance
between theory and technique.
Integration is treated before
differentiation--this is a departure
from most modern texts, but it is

Acces PDF Tom Apostol Calculus 2nd Edition

historically correct, and it is the best way to establish the true connection between the integral and the derivative. Proofs of all the important theorems are given, generally preceded by geometric or intuitive discussion.
