Learn how to: -- Say "no" and save yourself from burnout -- Tell others what you want, and actually receive it -- Express anger in healing ways that maintain valued relationships -- Respond effectively when i0rrationally criticized or attacked -- Liberate your true self. They find it hard, if not impossible, to ask for what they want; there are times when they don't know what they want. They expect other people to be as considerate as they are and think life isn't fair when that doesn't happen. *THE NICE FACTOR* explores the techniques needed to help people choose a different way of behaving and to put them back in the driving seat of their lives.
