In this delightfully imaginative novel, once again, hell threatens to break loose as Samuel Johnson and his ragtag group of friends must defend their town from shadowy forces more threatening than ever before... In this clever and quirky follow-up to *The Gates* and *The Infernals*, Samuel Johnson's life seems to have finally settled down—after all, he's still got the company of his faithful dachshund, Boswell, and his bumbling demon friend, Nurd; he has foiled the dreaded forces of darkness not once, but twice; and he's dating the lovely Lucy Highmore, to boot. But things in the little English town of Biddlecombe rarely run smoothly for long. Shadows are gathering in the skies, a black heart of pure evil is bubbling with revenge, and it rather looks as if the Multiverse is about to come to an end, starting with Biddlecombe. When a new toy shop's opening goes terrifyingly awry, Samuel must gather a ragtag band of dwarfs, policemen, and very polite monsters to face down the greatest threat the Multiverse has ever known, not to mention assorted vampires, a girl with an unnatural fondness for spiders, and highly flammable unfriendly elves. The latest installment of John Connolly's wholly original and creepily imaginative *Samuel Johnson Tales*, *The Creeps* is humorous horror for anyone who enjoys fiction at its best.

Vivid, bawdy, comic, and arresting, the exciting new novel by the Indonesian phenomenon, Eka Kurniawan *Told in short, cinematic bursts, Vengeance Is Mine, All Others Pay Cash* is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman by two policemen. Deeply traumatized, he becomes impotent. His efforts to get his virility back all fail, and Ajo Kawir turns to fighting as a way to vent his frustrations. He gets such a fearsome reputation as a brawler that he is hired to kill a thug named *The Tiger*, but instead Ajo Kawir falls in love with *Iteung*, a gorgeous female

bodyguard who works for the local mafia. Alas, the course of true love never did run smooth... Fast-forward a decade. Now a truck driver, Ajo Kawir has reached a new equanimity, thinking that his penis may be trying to teach him a lesson and even consulting it in many situations as if it were his guru—love may yet triumph. *Vengeance Is Mine, All Others Pay Cash* shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent male world dominated by petty criminals and a corrupt police state.

"You must allow me to tell you how ardently I admire and love you."

The bestselling author of *Honeymoon with My Brother* hits the road again to learn about love and finally finds it closer to home. When you've been jilted at the altar and forced to take your pre-paid honeymoon with your brother, it's fair to say you could learn a thing or two about love. And that's what Franz Wisner sets out to do—traveling the globe with a mission: to discover the planet's most important love lessons and see if they can rescue him from the ruins of his own love life. Even after months on the road, he's still not sure he's found the secret. But a disastrous date with a Los Angeles actress and single mom keeps popping into Franz's head. While researching ideal love, could he have missed a bigger truth: that something unplanned and implausible could actually make him happy? Uproarious, tender, and studded with eye-opening insights on love, *How the World Makes Love* is the story of one average man's search for happiness—a search that turns into an improbable love story in the author's own backyard.

Caroline Dawson survived the town gossips who whispered behind her back. She survived the slow death of her husband, Roscoe Lancaster, the richest man in the county and her senior by three decades. But she feared she might not survive Rink Lancaster, her husband's son. Years before she married, when she and Rink were teens, he introduced Caroline to her first tremulous taste of love -- and then broke her heart. Now he's back. Rink says he wants to settle his father's estate, but his storm of emotions is undeniable and more dangerous than ever -- and what he really wants is to settle the score with Caroline.

This is the true story of Franz Wisner, a man who thought he had it all- a high profile career and the fiancée of his dreams- when suddenly, his life turned upside down. Just days before they were to be married, his fiancée called off the wedding. Luckily, his large support network of family and friends wouldn't let him succumb to his misery. They decided Franz should have a wedding and a honeymoon anyway- there just wouldn't be a bride at the ceremony, and Franz' travel companion would be his brother, Kurt. During the "honeymoon," Franz reconnected with his brother and began to look at his life with newfound perspective. The brothers decided to leave their old lives behind them. They quit their jobs, sold all their possessions, and traveled around the world, visiting fifty-three countries for the next two years. In *Honeymoon With My Brother*, Franz recounts this remarkable journey, during which he turned his heartbreak into an opportunity to learn about himself, the world, and the brother he hardly knew.
