Business Legislation for Management is meant for students of business management, who need to be familiar with business laws and company law in their future role as managers. The book explains these laws in a simple and succinct manner, making the students sufficiently aware of the scope of these laws so that they are able to operate their businesses within their legal confines. The book approaches the subject in a logical way, so that even a student with no legal background is able to understand it.

This Book Helps to the students of B.Com (Honours and General) and other professional courses like LL.B, BBA, MBA etc.

Fundamentals of Corporate Accounting has been designed as per the CBCS syllabus prescribed by University of Calcutta and other allied universities of West Bengal. The book is primarily intended for third year B.Com students but would also be useful for students of professional courses. The content has been presented in a systematic manner (theory-illustrations-practice problems) with elaborate explanation on core topics. The Companies Act, 2013, along with recent amendments and rules, and the latest Accounting Standards have also been explained in detail. Abundant Solved Examples, illustrations with detailed working notes, previous years' questions and solutions, and practice questions will greatly benefit the students and help them master the subject.
