In 2001, Afghan women were isolated and treated as second-class citizens. Though they still fight for rights and equality, they have come a long way. The stories in *We Are Afghan Women: Voices of Hope* teach that women can fight poverty and inequality with courage, hope, and perseverance. These women are inspiring and their lessons should move us all to stand up for those whose voices may not be heard.”
(Condoleezza Rice)

We Are Afghan Women: Voices of Hope, George W. Bush Institute, narrated by Pam Ward The introduction of the book was written by Laura Bush. The body of the book tells the story of Afghan women through a multitude of witnesses. Testimony is given about their lives in Afghanistan over several decades, beginning in the 1980's.

We Are Afghan Women: Voices of Hope by George W. Bush ...

Told in their own voices, the moving, courageous, and personal stories in We Are Afghan Women vividly describe a country that is one of the most dangerous places to be a young girl or pregnant woman; a country undone by decades of war and now struggling to build a lasting peace; a country where women have defied the odds. Women like Dr. Sakena Yacobi, who ran underground schools for girls until the Taliban fell, after which she established schools across Afghanistan to teach women to read ...

We Are Afghan Women: Voices of Hope | Bush Center

Afghanistan has been described as "the worst nation in the world to be a woman." More than fifty percent of girls who are forced into marriage are sixteen or younger. Too many women live in fear and in many areas, education and employment for women are still condemned. The women featured in We Are Afghan Women are fighting to change all ...
