It's the revolutionary world history study guide just for middle school students from the brains behind Brain Quest. *Everything You Need to Ace World History . . .* kicks off with the Paleolithic Era and transports the reader to ancient civilizations—from Africa and beyond; the middle ages across the world; the Renaissance; the age of exploration and colonialism, revolutions, and the modern world and the wars and movements that shaped it. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only one book you need for each main subject taught in middle school: Math, Science, American History, English, and World History. Inside the reader will find every subject's key concepts,

easily digested and summarized:
Critical ideas highlighted in marker colors. Definitions explained. Doodles that illuminate tricky concepts. Mnemonics for a memorable shortcut. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award–winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

Reading Essentials and Study Guide (English and Spanish): Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels

The AP World History course and test are being overhauled in 2019-2020. This revised edition captures the latest College Board test changes, which include a reduction in the time range covered by the exam (now 1200 CE to present; was previously 8000 BCE to present.) For students specifically looking to brush up on AP World History content right before the exam--or to cram in a course's worth of topic review in a short time--our ASAP Exam book is a perfect fit! This book includes a brief structure and tips overview, but the real emphasis is on need-to-know content review, not

strategy or practice. With key topic lessons and lots of charts, timelines, outlines, mnemonics, call-out boxes, and critical terms & dates lists, it's also perfectly positioned for visual learners.

The perfect study tool for students in a World History course or for any history buff's collection. A timeline covering the utmost critical points, events, figures, cultural migrations and destructions that led to the formation of the world of today. Part 2 of a series, this guide covers the foundations of European empires through the modern multipolar world.
