This is a very different kind of comic. Elan Meets Rafa isn't fantasy, superhero, or yaoi/anime. It is a simple story about two boys finding love amid cultural and class differences. Volume One: To free himself from his wealthy father's demands, Elan leaves everything behind to start a new life. He quickly finds that he is ill-prepared for the real world until he meets Rafa'a strong and resilient boy from a poor family.

Take a visual journey through the some of the most spectacular and luminous gardens of Santa Fe, which boasts an astonishing diversity of flora and fauna, from traditional succulents and drought-resistant plants to roses and fruit trees.

With this stunning and original debut, Ian Irvine begins the saga of The View from the Mirror, a brilliant epic fantasy that rivals the works of Robert Jordan and J. V. Jones. "Once there were three worlds, each with its own human race. Then, fleeing from out of the void came a fourth race, the Charon. Desperate, on the edge of extinction, they changed the balance between the worlds forever..." The Tale of the Forbidding In ancient times the Way Between the Worlds was shattered, leaving bands of Auchim, Faellem, and Charon trapped with the old humans of Santhetar. Now Llian, a Chronicler of the Great Tales, uncovers a 3,000-year-old secret too deadly to be revealed- while Karan, a young sensitive, is compelled by honor to undertake a perilous mission. Neither can imagine they will soon meet as hunted fugitives, snared in the machinations of immortals, the vengeance of warlords, and the magics of powerful mancers. For the swelling deluge of a millennial war is rising, terrible as a tsunami, ready to cast torrents of sorcery and devastation across the land...

Returning to the United States, she lived first in New York and then in the Southwest, where she has spent recent years absorbed by a study of the landscape and the indigenous cultures and by performances and workshops. In this candid account of self-discovery she details a life journey filled with both exhilarating and painful moments and an understanding of the diverse strands of her multi-cultural identity.

Having more of Jesus in your life leads you into a world of unparalleled privilege. In Pursuing More of Jesus (previously titled My Heart's Cry), gifted Bible teacher and acclaimed conference speaker Anne Graham Lotz shows you how saturating your life with more of Jesus is the key to: restoring love to your marriage finding the antidote to fear discovering hope in your grief loving others with whom you are totally incompatible acquiring the courageous competency to speak out in a doubting world making your service to God more fruitful Doors open, angels attend, mountains move, doubts disappear, and fears fade if we simply pursue Him.

¶n these 35 stories, one struggles to find a sentence that is anything less than jewel-box perfect.¶The New York Times Book Review Gina Berniault is known for the complexity and compassion with which she weaves her characters, and her stories are such models of economy that they seem almost telepathic. In this reissue of her collected stories/twenty years after its first publication/with a new introduction by renowned author and devoted Berniault advocate Peter Orner/we see the deft hand of this well-loved master of the short story at its best. Berniault employs her vital sensibility/sometimes subtly ironic and sometimes achingly raw/¶o touch on the inevitability of suffering and the nature of individuality, daring to see into the essence of our predicaments. What moves us? What dictates our behavior? What alters us? Her writing is spare, evanescent, pulsing with life and shimmering with life's strange hope. Her stories illustrate the depth of her emotional understanding. ¶Half the women in the world are right now in bed, theirs or somebody else's, whether it's night or day, whether they want to be or not...¶ With Women in Their Beds, Berniault's prose/moving, honest, and wisel/achieves a mastery of the short story form that was in evidence every step of her long career. She was a completely modern writer, blessed with an exquisite sense of the potency of words and the ability to create moments of empathy that are both disturbing and mysteriously amusing.

A dark epic, Nights of Villjamur is the first book in Mark Charan Newton's Legends of the Red Sun fantasy series. An ice age strikes a chain of islands, and thousands come to seek sanctuary at the gates of Villjamur. It's a city of ancient spires and bridges, a place where banshees wail and cultists use forgotten technology. And beyond the now besieged walls, the dead have been seen walking across the tundra. When the Emperor commits suicide, his heir, Rika, is brought home to lead the Jamur Empire. But the corrupt Chancellor has his own designs on the throne. Meanwhile, a senior investigator in the city inquisition must solve the savage murder of a city politician, and a charming rogue manipulates his way into the imperial residence with a hidden agenda. Then one crime leads to another and a plot is uncovered that could mean genocide for thousands of citizens. It seems that, in this land under a red sun, the long winter is bringing more than just snow . . .
