Inhaltsangabe: Abstract: Giving the powerful means of branding and brand-based differentiation for creating and sustaining a competitive advantage especially in highly competitive markets such as the automobile market, this

Download File PDF You And Your Bmw 3 Series

study explores brand attitudes of existing and potential customers towards the brand BMW.

Moreover, this study analyzes the level and source of customer satisfaction as well as the level and source of customer loyalty of existing and potential customers.

Download File PDF You And Your Bmw 3 Series

While this study considers five different factors for the degree of customer satisfaction, there is only one factor considered for the degree of brand loyalty. The factors considered for customer satisfaction are perceived customer service, perceived

Download File PDF You And Your Bmw 3 Series

quality, perceived innovation,
perceived technology and
perceived price, while the factor
considered for brand loyalty is
customer satisfaction itself. The
analysis of brand loyalty
distinguishes between repurchase
loyalty and attitudinal loyalty,

Download File PDF You And Your Bmw 3 Series

former being analyzed for existing customers and latter being analyzed for potential customers.

The results indicate that (1) BMW has a high level of awareness, both in recognition and recall, (2) the image of BMW is favorable, strong and relevant, and (3) BMW is

Download File PDF You And Your Bmw 3 Series

mainly associated with performance and style by existing customers and status by potential customers. Despite these overall positive results, weaknesses were identified, that contain opportunities for BMW. The regression analysis indicated that

Download File PDF You And Your Bmw 3 Series

there is a strong positive correlation between customer satisfaction and perceived customer service and perceived innovation for existing customers and a strong positive correlation between customer satisfaction and perceived customer service,

Download File PDF You And Your Bmw 3 Series

perceived innovation and perceived price for potential customers. Furthermore, the regression analyses indicated that there is a strong positive correlation between customer satisfaction and brand loyalty, both in form of repurchase as well as

Download File PDF You And Your Bmw 3 Series

attitudinal loyalty. Branding has been around for centuries as a means to distinguish the goods of one producer from those of another. More and more companies have come to the realization that one of their most valuable assets is the brand name associated with

Download File PDF You And Your Bmw 3 Series

their products. Highly competitive markets like the automotive market make powerful brands essential to accomplishing growth. By using the underlying concept of brand equity, this paper investigates in which areas brand equity has been created for the
