How it works. The Zero Point Energy Nano Wand is magnetically-cased and built to house 35 minerals, locked in by high-heat fusion. Each mineral grain has its own shape and size, and when combined with the other minerals (through a catalytic conversion) it generates the spinning resonance we call ZERO POINT ENERGY. The makers of this wand

The zero point energy wand is a popular device that can cure headaches, back pain, and all other diseases, according to its makers. These claims about the zero point energy wand seem too good to be true, and it seems they are. It is reasonable to wonder if the zero point energy wand is a scam, because they hold all the hallmarks of pseudoscience.
